

WHAT'S NEW@PREVENTION SOLUTIONS

January 2020

Find out what's new this month from Prevention Solutions@EDC! Learn about upcoming events and new resources to support your substance misuse prevention efforts!

Announcements

Prevention Solutions@EDC is Coming to CADCA!

Come visit the PS@EDC booth at CADCA's 30th Annual National Leadership Forum, February 3-7!

Find out how PS@EDC can support your coalition's prevention efforts. Our trainings, webinars, and customized technical assistance can help your community:

- Use data to inform and mobilize key stakeholders
- Refine strategic planning efforts
- Identify best-fit prevention programs
- Address related behavioral health problems—substance misuse, suicide, and problem gambling, and violence—in a coordinated way
- Harness the power of social media to promote prevention efforts
- Understand and respond to evolving marijuana legislation
- Reduce prejudice toward people who struggle with addiction

Enter our raffle and earn a chance to win a free PS@EDC online course of your choosing! For more information, contact **PS@EDC Director Carol Oliver**.

Upcoming Events

VIRTUAL TRAINING-OF-TRAINERS: Substance Abuse Prevention Skills Training

February 24-28, 2020

Prepare to deliver the SAPST independently! Participation includes 18 hours of

interactive, online learning, including 10 group-learning activities, opportunities to practice training portions of the curriculum, and access to the latest 2018 SAPST and training-of-trainer materials. [Register now!](#)

ONLINE COURSE: Ethics in Prevention: A Guide for Substance Abuse Prevention Practitioners

March 23-April 3, 2020

Explore the six principles of the prevention Code of Ethics, brought to life with real-world examples. Endorsed by the International Certification and Reciprocity Consortium (IC&RC), this two-week moderated course meets the IC@RC prevention ethics requirement for prevention specialist certification.

Featured Resources

Using a Trauma-Informed Lens to Inform Substance Misuse Prevention Efforts

This presentation explores the relationship of trauma to substance misuse use, and the importance of considering trauma and its effects when developing and implementing prevention programs. [View presentation.](#)

Prevention Perspectives

Addressing Drug-related Violence on Campus: Analyze Before Acting

The Drug Enforcement Administration recently engaged PS@EDC to create a planning guide to preventing drug misuse among college students. This forthcoming guide lays out a strategic and systematic approach to substance misuse prevention that also can serve as a roadmap for addressing the overlap of drug and alcohol abuse with violence. [Read more.](#)

Service Spotlight

MIAA Presentation Helps Schools Support Youth Affected by Familial Opioid Use

The opioid epidemic is having a profound impact on families across the nation, including growing numbers of children traumatized by the consequences of addiction in their homes. PS@EDC's Gisela Rots spoke with school administrators and staff about the role school personnel—including coaches, referees, and trainers—can play in identifying and supporting students living in homes where opioid use disorder is present.
