Upcoming Events

VIRTUAL TOT: ADVANCED ETHICS IN PREVENTION May 8-9, 2019

Looking for an opportunity to explore higher level ethical questions facing today's prevention professionals—and help others do the same? Become an Advanced Ethics in Prevention trainer!

Participation in this intensive, 2-day training of trainers (TOT) includes 8 hours of interactive, online learning, including a review of all training content, group-learning activities, and opportunities to practice training portions of the curriculum. Eligible participants must have participated in a previous Ethics in Prevention

(foundational or advanced) course. [Register Now!](#)

ONLINE COURSE: ETHICS IN PREVENTION

May 20-31, 2019

Preparing for prevention specialist certification? Sign up now for our 6-hour moderated online ethics course. Endorsed by the International Certification and Reciprocity Consortium (IC&RC) and NAADAC-certified, this interactive learning experience explores the six principles of the Prevention Code of Ethics, brought to life with realistic examples designed to enhance participant understanding.

VIRTUAL TOT: SUBSTANCE ABUSE PREVENTION SKILLS TRAINING

New Date! June 10-14, 2019, 11 a.m. – 1:30 p.m. EST

Remember when you participated in the Substance Abuse Prevention Skills Training (SAPST) and thought, “Wouldn’t it be fun to deliver this training myself?” Now’s your chance!

This intensive, 5-day training of trainers prepares practitioners to deliver the SAPST independently. Participation includes 16.5 hours of interactive, online learning, including a review of all training content and 10 group-learning activities. Participants will also receive access to the latest 2018 SAPST and training-of-trainer materials. [Register Now!](#)

Featured Resources

ENVIRONMENTAL STRATEGIES TO PREVENT THE NON-MEDICAL USE OF PRESCRIPTION DRUGS

This comprehensive, online guide includes information gathered from existing research and practice literature on environmental strategies that aim to reduce NMUPD. For each strategy, we include information on the populations for which the original strategy was designed, evaluation outcomes that provide evidence of effectiveness, and additional resources. Prevention Perspectives

RX SUMMIT SPOTLIGHT: GISELA ROTS ON SUPPORTING THE HIDDEN VICTIMS OF THE OPIOID EPIDEMIC

During this month’s Rx Drug Abuse & Heroin Summit in Atlanta, Prevention Solutions@EDC’s Gisela Rots and other staff members will share strategies for addressing the needs of children and youth traumatized by their caregivers’ struggles with opioids. [Read More](#)

Service Spotlight

MARYLAND LEARNING COLLABORATIVE BUILDS CROSS-SECTOR

PARTNERSHIPS

Cross-sector collaboration can be challenging: Siloed workplaces, limited resources, and reluctance to reach out for help can prevent practitioners from establishing and building important, cross-sector relationships. Recognizing these challenges but eager to move past them, Maryland's Office of Population Health Improvement partnered with Prevention Solutions@EDC to convene a day-long learning collaborative for the state's prevention workforce on the value of collaboration. [Read More](#)

Let us help you move science to practice by building a prevention workforce empowered to make a difference.
