## Featured Resources

### New Ethics Resources

Two new resources explore the role of ethics in substance misuse prevention.

- **Tips for Developing Ethics Policies for Agencies and Organizations.** Strong policies can help prevent unethical behavior by establishing clear expectations for addressing ethical issues. This resource presents guidance for developing new ethics policies and reviewing existing ones. [Read now!](#)
- **Using Social Media to Support Prevention Efforts: Ethical Considerations.** This tool highlights considerations for applying the Prevention Code of Ethics to social media activities. We hope it will stimulate your thinking, as well as conversations with colleagues, about these issues. [Read now!](#)

## Prevention Perspectives

### EDC and Transforming Education to Launch SEL & Mental Health Academy

Over the next three years, PS@EDC Training Specialist Shai Fuxman will lead an exciting new project focused on helping Massachusetts school districts design, implement, and sustain multi-tiered systems of support focused on social and emotional learning (SEL) and mental health. [Learn more!](#)
