Upcoming Events

Online Course: Ethics in Prevention: A Guide for Substance Abuse Prevention Practitioners

September 13-24, 2021 | 9:00 AM-5:00 PM ET | [Learn more](#)

This moderated online course explores the six principles of the Prevention

Code of Ethics, brought to life with realistic examples designed to enhance participant understanding. The course also introduces a decision-making process to help practitioners apply this code to a variety of ethical dilemmas, and an online discussion area to facilitate discussion with other course participants.

Price: \$115

Length: 6 hours over 2 weeks

Certification: This ethics training has been endorsed by the International Certification & Reciprocity Consortium (IC&RC) and meets the IC&RC's prevention ethics education requirement for prevention specialist credentialing. Certificates for training hours provided.

Registration Deadline: September 10

Prevention Perspectives

Effective Suicide Prevention for Rural Communities

EDC's Suicide Prevention Resource Center's Effective Prevention Model includes three components that rural communities can use to develop culturally responsive, evidence-based suicide prevention. [Read more](#)

Service Spotlight

PS@EDC Explores the Connections between Prevention and Recovery

There's a growing need to better understand the relationship of substance abuse prevention to recovery and, moreover, to understand both prevention and recovery as they relate to resiliency. Find out how PS@EDC is addressing this challenge. [Read more](#)

Let us help you move science to practice by building a prevention workforce empowered to make a difference.
