WORKSHOP: Opioid Misuse Prevention Workshop, Massachusetts Interscholastic Athletic Association

January 22, 2020, 9:50 am, Franklin, MA

PS@EDC's Gisela Rots and Shai Fuxman will explore current research on the impact of opioid use disorders home on youth, strategies for identifying opioid-affected youth, and evidence-based processes and interventions for supporting these young people. [Learn more!](#)

VIRTUAL TRAINING-OF-TRAINERS: Substance Abuse Prevention Skills Training

February 24-28, 2020

Prepare to deliver the SAPST independently! Participation includes 18 hours of interactive, online learning, including 10 group-learning activities, opportunities to practice training portions of the curriculum, and access to the latest 2018 SAPST and training-of-trainer materials. [Register now!](#)

Featured Resources

ONLINE COURSE: Making the Most of Key Informant Interviews

Key informant interviews are often considered the most straightforward of the data collection methods. But the apparent simplicity of this approach can be deceiving. This interactive, self-paced online course offers practitioners user-friendly guidance for planning and conducting interviews that produce the valuable information they need to inform their prevention efforts. [Learn more!](#)

Prevention Perspectives

Vaping and Teenagers

In only a few years, e-cigarettes and vape pens have exploded in popularity—especially among teenagers, who often view them as less harmful than conventional cigarettes. But just how many teenagers are vaping? [Read more!](#)

Service Spotlight

PS@EDC Trains Kentucky Prevention Specialists on the Art of Effective TA

Technical assistance (TA) has become a key strategy for increasing the quality of prevention services across the nation. The success of these services often hinges on the skills of the TA provider. [Read more!](#)

Let us help you move science to practice by building a prevention workforce empowered to make a difference.
