NEW TRAINING: Prevention Fundamentals Online: A How-to Training for Substance Misuse Prevention Practitioners and Their Partners

5-Day Training: January 25, 27, 29, February 1, 3; 11:30 am – 3:30 pm EST

This all-virtual training prepares practitioners for the realities of today's substance misuse prevention environment:

- Focused on the needs of individual practitioners working in the field
- Hands-on and highly interactive with new tools to help practitioners hit the ground running
- Reflects updates to the Substance Abuse Prevention Skills Training (2018) but with greater focus on community mobilization, communications, and addressing health disparities throughout the prevention planning process
- Designed exclusively for a webinar platform—not adapted from an in-person training
- Endorsed by the International Certification and Reciprocity Consortium (IC&RC)

Sign up by January 1 and get \$200 off. Register Now!
