PREVENTION FUNDAMENTALS ONLINE: A How-to Training for Substance Misuse Prevention Practitioners and Their Partners

5-day Training: June 14, 16, 18, 21, and 23
11:30 a.m.- 3:30 pm EST

Ready to develop the practical skills needed to build strong substance misuse prevention programs and practices in your state or community?

NOW'S YOUR CHANCE!

This all-virtual, 20-hour training prepares practitioners for the realities of today's substance misuse prevention environment.

- Focused on the needs of individual practitioners working in the field
- Hands-on and highly interactive with new tools to help practitioners hit the ground running
- Reflects updates to the Substance Abuse Prevention Skills Training (2018) but with a greater focus on community mobilization, communications, and addressing health disparities throughout the prevention planning process
- Designed exclusively for a webinar platform—not adapted from an in-person training
- Endorsed by the International Certification and Reciprocity Consortium (IC&RC)

Cost: \$1000. But sign up by May 1 and get \$200 off. [REGISTER NOW!](#)

Online Course: Ethics in Prevention: A Guide for Substance Abuse Prevention Practitioners

April 26- May 7, 2021 | 9:00AM-5:00PM ET | [Learn more](#)

As substance misuse prevention professionals, we regularly face situations that require us to make ethical decisions. Often it is clear how to act ethically; sometimes it is not.

This moderated online course explores the six principles of the Prevention Code of Ethics, brought to life with realistic examples designed to enhance participant understanding. The course also introduces a decision-making process to help practitioners apply this code to a variety of ethical dilemmas, and an online discussion area to facilitate discussion with other course participants.

Price: \$115

Length: 6 hours over 2 weeks

Certification: This ethics training has been endorsed by the International Certification & Reciprocity Consortium (IC&RC) and meets the IC&RC's prevention ethics education requirement for prevention specialist credentialing. Certificates for training hours provided.

Registration Deadline: April 22
