 Upcoming Events**PREVENTION FUNDAMENTALS ONLINE: A How-to Training for Substance Misuse Prevention Practitioners and Their Partners**

5-day Training: June 14, 16, 18, 21, and 23
11:30 a.m.- 3:30 pm EST

Ready to develop the practical skills needed to build strong substance misuse prevention programs and practices in your state or community?

NOW'S YOUR CHANCE!

This all-virtual, 20-hour training prepares practitioners for the realities of today's substance misuse prevention environment.

- Focused on the needs of individual practitioners working in the field
- Hands-on and highly interactive with new tools to help practitioners hit the ground running
- Reflects updates to the Substance Abuse Prevention Skills Training (2018)

but with a greater focus on community mobilization, communications, and addressing health disparities throughout the prevention planning process

- Designed exclusively for a webinar platform—not adapted from an in-person training
- Endorsed by the International Certification and Reciprocity Consortium (IC&RC)

Cost: \$1000. [REGISTER NOW!](#)

"One of the best trainings I've attended ... You made a long training so much fun and interactive—I didn't even feel overwhelmed, Zoomed-out, or cross-eyed by the end. Thank you for a fabulous learning session!"

—January 2021 PFO Participant

Prevention Perspectives

Three Steps toward Healing and Help-Seeking on Mental Health Action Day

The COVID-19 pandemic has increased awareness about the importance of mental health. On May 20, we move from awareness to action.

Service Spotlight

New Bedford Health Department Partners with PS@EDC to Evaluate Overdose Response Efforts

Over the past two years, PS@EDC has developed a set of data collection tools and a centralized data repository to support the evaluation of the city's TRAIN (Teach, Reach, and Initiate Naloxone) Project — a new program to prepare first responders and key personnel to administer naloxone and provide post-overdose follow-up to affected individuals and their families.
