To receive the discount, enter the code **Discount2020** for all self-paced courses, **Discount2020Ethics** for Ethics in Prevention.

## LET US HELP YOU MOVE YOUR PREVENTION EFFORTS ONLINE.

As the COVID-19 pandemic becomes more entrenched, in-person opportunities to advance prevention efforts remain on hold. To meet the continued need for these critical services, we can help you:

- Host planning meetings in a virtual space
- Facilitate online conversations
- Move in-person trainings to a virtual environment
- Design and deliver virtual “summer schools”

- Create and deliver engaging, interactive webinars
- Convene online communities of practice, using Adobe Connect and Zoom
- Record, edit, and post conference presentations so they are available to a virtual audience

Contact us for a free consultation: [PreventionSolutions@edc.org](mailto:PreventionSolutions@edc.org)

## Upcoming Events

### **FREE WEBINAR! Meeting the Social and Emotional Needs of Students: Taking a Multi-Tiered Approach**

**March 25, 2020, 11:00 am – 12:00 pm ET**

Despite their importance, social, emotional, and mental health supports are often fragmented, resulting in patchwork programming that strains limited resources and leaves many children without the services they need. This webinar will explore strategies for using multi-tiered systems of support (MTSS) as a practical response to this challenge. [Register now!](#)

### **ONLINE COURSE: Ethics in Prevention: A Guide for Substance Abuse Prevention Practitioners**

**May 4 - May 15, 2020**

Explore the six principles of the prevention Code of Ethics, brought to life with real-world examples. Endorsed by the International Certification and Reciprocity Consortium (IC&RC), this two-week moderated course meets the IC@RC prevention ethics requirement for prevention specialist certification.

## Featured Resources

### **Resources for the COVID-19 Crisis**

Explore a wide range of EDC health and education resources for parents, teachers, and others searching for answers to these and other questions. Topics include helping children and adults cope with anxiety, staying connected for work and learning in a virtual world, and activities to keep children engaged at home. The page will be continually updated with new information and resources, so please revisit often. [Read more.](#)

## 5 Ways to Help Children Cope with Coronavirus Anxiety

PS@EDC's Shai Fuxman presents some important tips for helping children deal with the uncertainty of these times. [Read more.](#)

Let us help you move science to practice by building a prevention workforce empowered to make a difference.
