Announcements

Professional Development at a Safe Distance

Accessing online professional development shouldn't be one more thing to worry about. PS@EDC offers a broad range of affordable, online services to support your prevention efforts. We can help you:

- Host planning meetings in a virtual space
- Facilitate online conversations
- Move in-person trainings to a virtual environment
- Design and deliver virtual "summer schools"
- Create and deliver engaging, interactive webinars
- Convene online communities of practice, using Adobe Connect and Zoom
- Record, edit, and post conference presentations so they are available to a virtual audience

Upcoming Events

ONLINE COURSE: Ethics in Prevention: A Guide for Substance Abuse Prevention Practitioners

Last day for discount!

July 13-24, 2020

Explore the six principles of the prevention Code of Ethics, brought to life with real-world examples. Endorsed by the International Certification and

Reciprocity Consortium (IC&RC), this two-week moderated course meets the IC@RC prevention ethics requirement for prevention specialist certification.

Register by end of Day June 30! Use the code **Discount2020Ethics** for a 15% discount.

Featured Resources

Tools for Improving Positive Outcomes Among Boys and Young Men of Color: Executive Summary—Main Findings on Protective Factors and Programs

Research suggests that boys and young men of color are at increased risk for poor educational, economic and health outcomes. Prevention practitioners are well-positioned to address their diverse substance use, misuse, and related behavioral health needs. [Read more.](#)

Prevention Perspectives

Racism is a Public Health Problem. What Can We Do?

As public health professionals, we have an important role to play in preventing structural racism in addition to mitigating and healing its resulting traumas and health disparities. [Read more.](#)

Service Spotlight

As Practitioners Shelter at Home, Participation in PS@EDC Ethics in Prevention Online Course Grows

As practitioners confront a range of ethical dilemmas tied to the COVID-10 pandemic and the social unrest facing our nation, PS@EDC's online Ethics in Prevention online course offers a framework for grappling with these issues. [Read more.](#)

Let us help you move science to practice by building a prevention workforce empowered to make a difference.
